This screenshot shows the desktop version of the SharePoint - OneDrive - Yammer (SOY) site. The top navigation bar includes 'Office 365' and 'SharePoint' links, along with a Microsoft logo and user profile. Below this, a secondary navigation bar lists 'Sharepoint-OneDrive-Yammer', 'Events', 'Constituents', 'Collaboration Newsletter', and 'Edit'. The main header area displays the site title 'SharePoint - OneDrive - Yammer' with a 'General' tab selected, and a search bar. A 'Published 3/22/2018' status is visible. The 'News' section features a grid of six news items, each with a thumbnail image and a title. The items are: 'Collaboration Newsletter Site - March 2018' by Vijay Gurusamy, 'Team Meeting - 27 March 2018' by Chris McNulty, 'SharePoint Conference Final Speaker Logistics' by Bill Baer, 'SharePoint Business Applications Summit 2018 Recap' by Chris McNulty, 'SharePoint Business Applications Summit 2018 Recap' by Chris McNulty, and 'SharePoint hub sites begin to roll out into Office 365' by Mark Kashman. A 'See all' link is present. At the bottom, there is a large Microsoft logo and a social media feed snippet for #SPC18.
